Guidelines

We serve children from 3 years old (unless special permission given) through 5th grade but not past age 11 of moms or dads who attend CR regularly upon application approval.

Notification by the Sunday prior that you're attending with children is necessary in order for us to adequately staff for childcare.

No fee exists but children must be promptly picked up by 8:30pm.

During the break time (7:20 approximately) please pick up your kids for selecting refreshments & returning them.

Any medication or treatment is given only by the parent or guardian.

Note: All of our adult care providers are background checked, screened, and trained for safety.
